

C.V (Curriculum Vitae)

PERSONAL DETAILS

First name: Ahmad
Date of birth: 20nd February 1968
Status: Married
E-Mail: :a_ Rajabizadeh@kmu.ac.ir
Address:
Department of Environmental Health
Faculty of Health, Medical Campus,
Haftbagh Highway, KERMAN – IRAN

Surname: Rajabizadeh Darzini
Sex: Male
Nationality: Iranian

Post code: 7616913555
Tel No: +98 341 322 0090-94
Fax No: +98 341 322 3029

EDUCATIONS

1993-1996 M.Sc in Civil Engineering, Environmental Engineering, Tehran University, School of Environment
Tehran, Iran.

1987-1992 B.Sc in Mechanical Engineering, Shahid Bahonar University
Kerman, Iran.

SCIENTIFIC ACTIVITIES

Published Articles:

- Mahvi,A.H., **Rajabizadeh,A.**, Fatetehizadeh,A., Yousefi,N., Hosseini,H., Ahmadian,M. “ **Survey Wastewater treatment condition and effluent quality of kerman province Hospital**” World Applied sciences, VOL 7, No 12, PP 1521-1525, 2009
- Mahvi.A.H, Mansoorian,H.J., **Rajabizadeh,A.** “ **Performance Evaluation of Electrocoagulation Process for Removal of sulphate from Aqueous environments using plate aluminum electrodes**” World Applied sciences, VOL 7, No 12, PP 1526-1533, 2009
- Evaluation of Knowledge and Attitude of Kerman Residents about the Usage of Bottled Water for Drinking and Cooking Purposes, Journal of Kerman University of Medical Sciences,2004; 11(4): 243-250.

- Evaluate the usefulness of the sedimentation tanks at high hydraulic Karoon river for suspended solids reduction using coagulants and without substance. Iranian Journal of Water and Wastewater, 1997, No. 21, p: 8-14.

Titles of approved research projects:

- Determining Environmental Exposure Levels of Solar UV Radiation in Kerman
- Evaluation of Environmental Health in Kerman bodybuilding

Articles presented in scientific conferences:

- Evaluation of Indoor Radon Concentration in Main Dormitory of Kerman (Iran) University of Medical Sciences-2009, 13th National Congress on Environmental Health, 2-4 Nov 2010, Kerman University of Medical Sciences, Iran

MEMBERSHIP IN SCIENTIFIC ORGANIZATION

- Member Association Environmental Section National Library of Kerman
- Member of Iranian Association of Environmental Health
- Member of the environmental Green - Kerman

TECHNICAL SKILL/WORK EXPERIENCE

- Computer skill (Word, Power point, Excel).
- Epidemiological studies.
- Faculty of health, School of Health, Kerman University of Medical Sciences, Iran
- Expert Design Office of Health Engineering Unit, Department of Civil and Jihad Sazandegi Kerman rural industries and simultaneously cooperate with Civil Consultants Kerman
- Deputy Finance Department of Health, Kerman University of Medical Sciences, Iran
- Deputy Head of School of Health Kerman

- Director of Environmental Health School of Health Kerman
- Conference Executive Director of Occupational and Environmental Toxicology
- Executive Director of the Third National Congress on Environmental Health
- Member of the Scientific Committee for Environmental Health, Third Iranian National Congress
- Conference Executive Director of freshwater – Kerman
- Head of Industrial Relations Office, Kerman University of Medical Sciences, Iran
- Deputy Director of the Kerman University campus
